President's Remarks – Jenny Quigney 937-459-8090

The lazy hazy days of summer are upon us and I for one am very thankful. We can all use a couple of months to unwind a little. However, the house will still be opened on the first and second Saturdays of each month. The second Saturday in June, July and August will be our Coffee and Conversations. Please check out the rest of the newsletter for details.

In the last couple of months we have completed the Trash Bash which netted us \$150.00 to add to the checking account. We had five young people help with mulching and window washing for the Serve Arcanum project that the high school does each year. This is a great program and we really appreciate the help. We also participated in the Old Fashioned Days parade. I would like to thank all the past presidents that were able to help with and ride on our float. Our May membership was well attended and Gary Naylor had a lot of memorabilia to show us. He provided an excellent program and I know that I learned a lot about the postal service.

At this time we have \$10,853.36 in our checking account. We can expect to add to this amount with the profits from the fair gate in August. If you have not helped with the fair gate I would encourage you to contact Carolyn Furlong and she will schedule a time for you.

In closing, I would like to thank all committee members and the board for all their help. I hope that you all have a fantastic summer and we will meet again in the fall.

2017 Summer Series * Coffee And Conversation * 10:00 a.m.

July 8 *Cheerleaders from squads of different years of Southern Darke County Schools will lead sports fans down memory lane just as they led teams onto basketball courts and football fields. We welcome cheerleaders from any squad to share their experiences and memories. No special invitation needed. Wear your school colors, bring memorabilia to share and stories to tell.*

August 12 **Pittsburg** *One hundred years ago the villages of southern Darke County were connected by a network of train tracks and county roads making it easy for family and friends to visit and shop. As AWTHS continues focusing on area villages, Pittsburg will be the subject of discussion during the August 12 session. Dr. Jesse Heise, Ester Heise Hoover and Gregg and Parry Spencer will start the conversation. They will want to hear your stories too which help tell Pittsburg's history. If you have photos and artifacts please feel free to share them.*

The past school year of 2016-2017 agriculture education returned to Arcanum Schools after a long hiatus. Brian Pohlman will share with us students' accomplishments the first year and tell of program goals for the future. Agriculture Education and Future Farmers of America made a comeback, with the district partnering with the Miami Valley Career Technology Center. Starting in middle school students attended classes in agriculture education and high school student were given several class options. Many of the students did well in State competitions. This is a welcomed scholastic program to our farming community school.

Farmers Market

Farmers Market 2017 has begun and will run until "Fair Time". Please stop and support our vendors. Remember there is no registration fee or a set commitment of dates or times to sell. Please spread the word- maybe you or your neighbor will have some extra garden veggies to sell! See you on Saturdays 9:00 to noon.

Christmas Bazaar 2017 Nov. 24 and 25

This year is a year of change for our AWTHS Christmas Bazaar. No one is able or willing to spend two months in organizing and crafting our sale items so- our plans will be greatly simplified.

We will begin our Bazaar preparations on Nov. 9th immediately following our regularly scheduled meeting and program. That night we will again form a "Human Chain" and move all of the unopened boxes of donations downstairs. We are asking for your help in opening the boxes; then sorting, cleaning, fluffing, and repairing donated items and finally pricing them. We will be working everyday from 9 a.m. to 2:30 p.m. until the Bazaar on Nov. 24th .

Shh! Don't tell - but our Christmas Bazaar is really going to be an upscale Christmas Rummage Sale. We will again have Mrs. Santa's Bake Shoppe, Beck's Boutique, Door prizes, and our 50-50 Raffle.

Look for more details in the October newsletter, but for now mark Nov. 9 thru Nov. 24 as our Bazaar set-up dates on your calendar.

SOUTHERN DARKE COUNTY HISTORY ANNETTE STEWART 417-3746**Special Event * September 10 * 2-4 p.m.
OLD CENTER SCHOOLHOUSE TOUR**

Center School, located at 6891 Grubbs-Rex Road, Arcanum will be open Sunday, September 10 from 2-4pm. The school is located on the Jackson farm, east of Arcanum-Ithaca Road.

Class starts at 2pm sharp with a historical history of the school and past students telling their class experiences. Afterwards, the school house will be open as well as refreshments and displays. If you know someone who attended here please ask them to join us and share their story or bring photos.

If you have not yet taken the self-guided driving tour of other old schools in the area, this would be a good opportunity. Download your brochure, pick one up at AWTHS or at Center School the day of the event. Join us on Facebook to keep updated on the tour event.

Mr. Jackson has been working on the school house for several years getting it ready for the tour. Let's have a good crowd from AWTHS to support his efforts. Please invite guests to join us for this unique opportunity to go back in history.

This event has also been advertised on the Ohio Find It Here web site: <http://www.ohio.org/events/old-school-house-tour> and calendar.

WE NEED VOLUNTEERS TO HELP WITH THE TOUR

We need several people to help with the tour that day: provide and serve refreshments, traffic parking and control, and manning the display to answer questions. Please see Annette Stewart if you can help. We could use about 6-8 doz. cookies or brownies and some type of beverage.

LEARN PROJECTOR/LAP TOP/POWER POINT

Saturday July 1 Wallace Alderman will conduct an in-service on the projector set up that is used at AWTHS programs and events. We need several people trained to set up the equipment and run it. If you're interested in attending please come and learn. If you have any questions please see Annette Stewart or If you can't make this date at 9:30 a.m. here at AWTHS but are willing to learn please also notify Annette and those attending can train you at another time.

We could still use help with videoing and scanning photos that come in as acquisitions. We need general help with the library as well as organizing digital files, researching or writing.

REGARDING DONATIONS OF REFERENCE MATERIALS

Contact Annette Stewart at [937-417-3746](tel:937-417-3746) to arrange donation of any Reference Materials to the AWTHS Genealogy Library. Please check our reference list to avoid duplicates. Regarding photos: We prefer 8 X 10 or smaller size to fit into binders. If larger items please call first.

Please do not drop off articles at the house and leave them on the porch or in the door. All items to be donated need to have a completed acquisition card . They can not be left at the house without identification .

We are receiving multiple copies of the Arcanum yearbooks for 1950-60's. We presently have these in our library. Instead we could use 1990-present. Please check the reference list before making a donation at www.arcanumhistoricalsociety.org, click on Reference Material List The extra yearbooks can be purchased for \$5.00.

Donations are accepted which meet the following criteria: 1.) relating to Southern Darke County; 2.) if we have room for the item 3.) if we don't already have the item. Please check with Carolyn Furlong, Fred & Carolyn Troutwine or Annette Stewart regarding the item you wish to donate.

5th Annual Serve Arcanum Event - A Positive Student Outreach
Connecting School and Community

We are so fortunate to have administrators in the Arcanum-Butler School System who care about their students enough to guide them in the direction of developing positive attitudes of compassion for others with programs implementing and promoting service. They have been active with impressing the idea of students giving back to the community with helpful work tasks in an annual event called, "Serve Arcanum". It's a way for school and community to connect by working together with mutual respect and cooperation for all.

"Serve Arcanum" is a well-organized event with citizens and organizations filling out applications requesting assistance with specific jobs. It is an amazing sight to wake up that morning and find Arcanum High School youth scattered throughout the community busy at work with true "Trojan Pride". Programs such as these are what make Arcanum and our school so special.

Our organization, Arcanum Wayne Tail Historical Society, was so please to participate in "Serve Arcanum" this year. Our student team working at the Historical House and Veterans Memorial Park, did a great job of weeding, mulching, planting flowers, and washing windows. Also, as part of the Adopt-A-Highway program, several students picked up trash on St. Rt. 49. This is the 5th year of this valuable program and we are hopeful the program will continue.

A huge "Thank You" to the Administrators, Adult Supervisors and Students.

Education - Third Graders Visit AWTHS

As part of the State of Ohio curriculum and standards for third grade students in Social Studies, Arcanum students study their local community. AWTHS has been a key to this study over the past 11 years, proving a bridge between community and school.

Each year the historical society host the Arcanum Elementary third grade classes. Each class is shown examples of what daily life was like back at the turn of the century. Carolyn Furlong and Jenny Quigney conducted house tours, talked about clothing, cooking and kitchen items, entertainment, transportation and how different our town and schools were long ago. Fred Troutwine conducted a tour through town pointing out historical landmarks and structures.

Besides helping to meet Ohio's scholastic mandates, AWTHS hopes to create a memorable experience while instilling a lasting interest in the historic community they live in.

2017 Old Fashioned Days Parade Float

Presidents, past and current, represented AWTHS this year on the Old Fashioned Days parade float.

Richard Rinehart pulled the float with his restored 1965 GMC Stepside pickup truck. We want to give Richard a big thank you for all the years he volunteered to pull our float with either the pickup truck or his restored 1948 Ford 8N tractor. Whether he was driving the truck or the tractor, he got more attention than our float. Thank you Richard.
